

ValidatedBaseNetwork

```
classDiagram
    class ValidatedFaceDetectionNetwork
    class ValidatedBaseNetwork
    ValidatedFaceDetectionNetwork --|> ValidatedBaseNetwork
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'ValidatedFaceDetectionNetwork'. A blue arrow points vertically upwards from this box to a white box labeled 'ValidatedBaseNetwork' at the top. This indicates that 'ValidatedFaceDetectionNetwork' inherits from 'ValidatedBaseNetwork'.
